Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the reference(s) listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the reference(s) be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Relevance of the non-English language reference(s) is discussed in the present specification, the attached Background Art Information Sheet, and/or in the associated English language Abstracts.

Additionally, the attached application identified in the attached Appendix is a related application, which is directed to related technical subject matter. The identification of that U.S. Patent Application is not to be construed as a waiver of secrecy as to that applications now or upon issuance of the present application as a patent. The Examiner is respectfully requested to consider the cited application and the art cited therein during examination.

Respectfully Submitted,
